

Lower Moutere School  
"To be the best that we can be"

## We're nearing the end of term ...1? 2?

Dear Parents and Caregivers of Lower Moutere School – well we are nearly at the end of the term. It's great to finish a term properly – we haven't had the chance to do that this year!

A big 'HATS OFF' to everyone. We have all been amazing in the way in which we navigated the COVID situation, the learning at home and then the re-integration back to school. As a community, we have really shown what it means to 'be the best that we can be'.

**A special thanks to the staff of the school.** They have had a 22 week term. The break that lies ahead is well earned and they certainly deserve some time out now. I am sure that you will join me in this kind wish to them all. Following on from this are our families – parents and students. Well done to you all for coming through the year so far. Our combined efforts have been outstanding – working in partnership at its best!

### DOLPHIN UPDATE from Room 5!

Room 5 have been so successful in their fruit stall sales that they are able to sponsor / adopt 3 dolphins! How awesome Room 5!!

## COME AND JOIN US THIS FRIDAY!

We welcome our parent and extended whanau community to school this FRIDAY at 1.30, to come and enjoy an afternoon in our school! Explore what our students have been doing since the start of the year - especially since our return to school(Post COVID)! Come to the hall and have a hot drink and something to eat - a great chance to catch up with school friends and enjoy the afternoon! Students are then free to head home when finished!

We look forward to seeing you all on FRIDAY! 1.30pm! 😊

All the best for the school holidays ahead! Enjoy being as a family again! We look forward to seeing you all back at school on MONDAY 20 JULY!
